

STI EMERGENCY LIGHT DAMAGE STOPPERS®

Helps Protect Operation of Emergency Lights From Theft and Vandalism

Here is an excellent way to protect your emergency lights against both vandalism and accidental damage. Some of the newest members of the STI Wire Guard Team, these Stoppers were created in response to multiple requests from STI customers. They are easy to install with all screws and anchors provided.

Backed By a Lifetime Guarantee

Constructed of tough steel wire that is coated with corrosion resistant polyester. It is not surprising STI backs them with a lifetime guarantee against breakage in normal use. These Stoppers are highly recommended for areas where abuse is severe or it is imperative that emergency lights continue to operate.

STI-9644

STI-9649
