

## Display and operating devices

**ABF600-1**  
Remote display and operation panel

**ABF600-CE1**  
Remote display and operation panel

**LAF648-1**  
**LAF648-2**  
**LAF648-3**  
LED display field  
48 LED pairs

**LTF616-1**  
**LTF616-2**  
**LTF616-3** (redundant)  
LED button field  
16 LED pairs  
16 buttons

**EDF600-1**  
Printer field

## Fire detection control panels

**BC600-8N2N**  
**BC600-8N4N**  
**BC600-8N8N**  
Fire detection control panel in standard wall-mount cabinet, no display and operating field no central processing board  
- Power unit 2A / 4A / 8A

**BC600-8L2S -8L2N**  
**BC600-8L4S -8L4N**  
**BC600 -8L8N**  
Fire detection control panel in standard wall-mount cabinet, with display and operating field - with/without central pr. board  
- Power unit 2A / 4A / 8A

**BC600-16N2N**  
**BC600-16N4N**  
**BC600-16N8N**  
Fire detection control panel in large wall-mount cabinet, no display and operating field no central processing board  
- Power unit 2A / 4A / 8A

**BC600-16L2S -16L2N**  
**BC600-16L4S -16L4N**  
**BC600-16L8S -16L8N**  
Fire detection control panel in large wall-mount cabinet, with display and operating field - with/without central pr. board  
- Power unit 2A / 4A / 8A

**BC600-CE8L2S -CE8L2N**  
**BC600-CE8L4S -CE8L4N**  
Fire detection control panel in 19" front-mount housing, with display and operating field - with/without central pr. board  
- Power unit 2A / 4A

## Function modules

**LIF601-1**  
**LIFR601-1** (redundant)  
Loop interface  
Protocols: Labor Strauss, System Sensor, Apollo

**GIF608-1**  
**GIFR608-1** (redundant)  
Conventional detector interface  
8 detector lines

**FWI600-1**  
**FWIR600-1** (redundant)  
Fire brigade interface  
10 outputs  
8 inputs

**OIFR664-1**  
Output interface redundant  
64 OC-outputs

**AIF604-1**  
Analogue interface  
4 inputs 4...20mA

**NIF600-1**  
**NIFR600-1** (redundant)  
Network interface

**MEA644-1**  
**MEAR644-1** (redundant)  
Input/output interface  
4 inputs  
4 outputs

**SIF601-x**  
Serial interface  
INFO bus  
RS232C  
Optional gateways to  
- BACnet/IP  
- OPC DA 2.0  
- Modbus/TCP, Modbus/RTU  
- IEC 60870-5-104, -101

## Power units

**NT602-1**  
Power supply  
2.3A output current

**NT604-1**  
Power supply  
4.3A output current

**NT608-1**  
Power supply  
8.5A output current

**SKR600-1**  
Voltage coupler redundant

**STAB24-3**  
Voltage stabilizer 24 VDC

**SVB5-1**  
Power distributor board

## Electrical accessories

**SZ58-3**  
Siren connection module  
4 siren circuits  
500mA output current

**RL58-1**  
Relay module  
8 relays 1A/60VDC

**RL58-2**  
Relay module  
4 relays 5A/230VDC

**RL608-1**  
Relay module  
8 relays 1A/60VDC with switchable VdS interface

**SCH70-1**  
Key switch

**BPL601-1**  
Backplane for BC600-1x

**BPL608-1**  
Backplane  
8 mounting positions

## Compact fire detection control panels

**BC600-1L**  
Fire detection control panel in compact case, with display and operating field  
- Power unit 2A

**BC600-1L/LTF**  
Fire detection control panel in compact case, with display and operating field and integrated LED button field  
- Power unit 2A

**BC600-1D**  
Fire detection control panel in compact case, LED display and operating field  
- Power unit 2A

## Fire detection control panels Series BC600-E Individual components for 19" cabinets

**ABP600-1L**  
Display and operating front panel

**FMT608-1**  
Function module carrier

**EFP600-1**  
Expansion front panel 19"/4HU

**NTT600-1**  
Power supply carrier

**ZTB600-1**  
**ZTBR600-1**  
Central processing board  
Central processing board redundant

## Empty housings

**GEH600-16**  
Auxiliary housing for stand-by batteries, auxiliary modules and power units

**GEH600-8**  
Auxiliary housing for stand-by batteries, auxiliary modules and power units

**GEHZ600-16**  
Extension housing for stand-by batteries and auxiliary modules

## Mechanical accessories

**AMR600-16**  
**AMR600-8**  
**AMR600-16Z**  
**AMR600-1**  
Surface mounting frame for large wall-mount cabinet, standard wall-mount cabinet, extension housing and compact housing

**BC600-1x-DS**  
**BC600-8-DS**  
**BC600-16-DS**  
**BC600-16Z-DS**  
Sealing Kit IP54

**BGT600-1**  
Module carrier for auxiliary modules

**BK600-1**  
Battery bracket
